Resolution

Issue: PEACE

Resolution Title: Support U.S. Women, Peace and Security Act

Resolution Number: 2012.1.R5

Resolution Text:

WG-USA will take the necessary actions to advocate for the passage of US Senate Resolution 3477/House Resolution 6255 that would create by law The Women, Peace and Security Act of 2012 to ensure the implementation of the US National Action Plan of the US State Department of December 2011.

Status: Completed / Retired 2018

Work on this Resolution has been successfully completed by the signing of the Women, Peace and Security Act by President Donald Trump in 2017.

Explanation:

The Action Plan of the State Department could be changed by Executive Order of a different Administration; therefore, bi-partisan action was taken in August 2012 by both houses of Congress, to make that Action Plan a law of the US.
